## **SRA Opens Tampa, Fla. Office With Ribbon-Cutting Ceremony**

**FAIRFAX, Va., November 9, 2010** — SRA International, Inc. (NYSE: SRX), a leading provider of technology and strategic consulting services and solutions to government organizations and commercial clients, today announced the opening of a new regional office in Tampa, Fla., during a ribbon-cutting ceremony with SRA Senior Vice President of the National Security Sector Gordy McElroy; Vice President of Mission Services Todd Morris; and local government and economic development officials serving the Tampa area.

The SRA office, located in the MetWest One at MetWest International on 4030 Boy Scout Blvd., serves as the focal point for SRA's business expansion in the Tampa metro area.

SRA provides a broad suite of integrated services and solutions for the local MacDill Air Force Base area, including global special operations-unique services and expertise in operations and intelligence, acquisition and logistics, and financial management and business operations.

"For SRA, the Tampa office represents opportunities for on the ground partnership and collaboration with MacDill AFB," said McElroy. "The SRA team looks forward to continuing its long-standing partnership with local military units and is excited about the business growth opportunities for state and local government contracting that exist here for SRA world-class offerings."

Joining McElroy and Morris for the ribbon-cutting were representatives from Enterprise Florida, Hillsborough County, the City of Tampa, Tampa Hillsborough EDC, Greater Tampa Chamber of Commerce and SRA employees in the Tampa office.

### **About SRA International, Inc.**

SRA and its subsidiaries are dedicated to solving complex problems of global significance for government organizations and commercial clients serving the national security, civil government and global health markets. Founded in 1978, the company and its subsidiaries have expertise in such areas as air surveillance and air traffic management; contract research organization (CRO) services; cyber security; disaster response planning; enterprise resource planning; environmental strategies; IT systems, infrastructure and managed services; learning technologies; logistics; public health preparedness; public safety; strategic management consulting; systems engineering; and wireless integration.

SRA and its subsidiaries employ more than 7,200 employees serving clients from its headquarters in Fairfax, Va., and offices around the world. For additional information on SRA, please visit [www.sra.com](http://www.sra.com).
